Week of Prayer for North American Missions/Colombia Recap/March's *For The City* Emphasis

**Please watch the provided video on your Roku device.**

Today marks the first day of the Week of Prayer for North American Missions. Go ahead and pass out the Prayer Guides that are provided in your boxes. Take a few moments and read the information on Day 1 and pray together as a class. Encourage your department to continue to go through the guide this week together with their family.

The last prayer mentioned on Day 1 is to pray that we would be missionaries to our own neighbors. Our *For the City* emphasis for March is "Third Places." Our First Place is the home. Our Second Place is our work or school. Our Third Places are anywhere else we spend time enough to develop relationships like the gym, the golf course, a coffee shop, etc. Brainstorm with your department about how you can reach your Third Places.

### Reminders

Today immediately after the morning worship service we have two information meetings. One is for our Wyoming Summer Mission Trip in Room 114, and the other is for our India Summer Mission Trip in Room 112. If anyone is interested in either of these trips, you are welcome to come and get more information.
