Student Mission Trip to Ecuador

Please play the provided video on your Roku Player.

We have been working with the unreached Shuar Tribe of the high-elevation jungles of Southern Ecuador for many years now and have always enjoyed a wonderful relationship with our partnering missionaries there. Our current missionary family that lives there and works tirelessly are Adam & Jess Huser and their 4 kids. This is one great family!

Adam & Jess Huser

Our Student Ministry will be taking a mission trip there May 29-June 7. The purpose of this trip is to come alongside the Huser's strategy of reaching the Shuar by going out to the villages and ministering there. The group will also be focused on being an encouragement to Adam and Jess.

Each of our students are trying to raise just over \$2000 for this trip, so it would be very much appreciated if you would consider helping them financially. You can give electronically by going here: <https://gabc.managedmissions.com/Donations/Donate/18782> or you can write a check to GABC and put Ecuador on the memo line. We will take these gifts and split them up evenly to all the students and sponsors.

Pray

Take some time this morning and pray for the Huser family as they work in a difficult place. Pray, also, for the Shuar Tribe that they would come to know and follow Jesus.
