

Mission Moment - May 21, 2017
Access Church Update/Columbus Mission Trip

Please play the provided video on your Roku Player.

We are incredibly excited about what God is doing through Access Church, our church plant in Columbus, Ohio, led by Mark & Christi Cox. They have just launched on Easter and continue to have great crowds as they reach out to the Powell/Dublin area of Northwest Columbus.

We will be taking a mission trip to Columbus September 8-16. We will have an informational meeting next Sunday, May 28th right after the morning worship service in Room 114. During the trip, we will be working with Access Church and other church plants and ministries throughout Columbus, including the Stowe Center which reaches out to the inner city. In the middle of this trip our Pastor, Brad Lewter, and Executive Pastor, Don Lehman, will be joining us as we host pastors throughout the country to try and enlist their help to partner with church planting in Columbus.

Pray

Take some time this morning and pray for Mark & Christ Cox and their work through Access Church. Pray that God would bless the church in such a way that it becomes a movement of the gospel throughout Columbus.

Do Something

Will you encourage our church planter? Mark & Christi Cox are both active on Facebook where you can friend them and send them an encouraging message. You can also email them...
