Portugal Mission Trip Report

Please play the provided video on your Roku Player.

We had a team just return from Portugal last week. Many people do not realize that much of Europe is reverting back to being unreached people groups. In Northern Portugal, where we partner, less than 2% of the population are Evangelical Christians. This, by definition, makes them an unreached people group. We work with International Mission Board missionaries, Andy & Michelle Milam.

This morning we want to say a special thank you to Steve Moore. This is Steve's last Sunday with GABC. He has been the lead on our Portugal partnership for a number of years now, and before that, lead the work that our church did in Italy. His heart and passion for the unreached throughout the world will be missed in our church. The work that will continue to move forward and flourish on the Northern coast of Portugal will be a result of the incredible love and dedication that Steve and Laura have for these beautiful people.

Pray

Take some time this morning and pray for Steve & Laura Moore as they make their transition away from Grand and towards the ministry that God has called them to. Pray, also, for Andy & Michelle Milam as they continue the work of the gospel in Portugal.

Don't Forget

Today right after the morning worship service in Room 114 for about 15 minutes we will have an informational meeting for an upcoming mission trip to Columbus, Ohio. The trip will be September 8-16, and we will be working with our church plant, Access Church, along with other ministries in the city.
