## Mission Moment - August 20, 2017 Guest Services Team

*Please play the provided video on your Roku Player.*

We are incredibly excited about Brent Williams taking over our Connections Ministry. He is really working hard to make sure that guests that show up on our campus have a clear pathway to membership and become an active disciple that worships, grows, and goes. But he can't do it alone! We need your help.

Today we have placed cards in your Sunday School box. If you are interested in serving in this vital ministry to welcome guests to our church, please, take a moment, fill that card out, and take it to a Do Something Station in the Worship Center.

Brent Williams

### **Prayer**

Take a few moments this morning and pray for that God would continue to send our church first-time guests. Pray that our folks would always be willing to invite people to church and engage those near to us but far from God in spiritual conversations. Pray that we would see a harvest of new believers at Grand, like we have not ever seen before!

### **Do Something**

**TODAY** we will be hosting an informational meeting on a trip to South Asia in Room 114 immediately following the worship service. The trip will be November 17-26. If you are interested, contact Mary McCutchen at [mmccutchen@vbsd.us](mailto:mmccutchen@vbsd.us).
