Third Places

Please play the provided video on your Roku Player.

Coffee shops, the gym, a board game with friends, golf, gardening, fishing, hunting, art, etc. All of these places, hobbies, and more can be considered a third place. If your first place is your home and your second place is your work or school, a third place is any place outside of that where you spend time and build relationships with others.

Beginning in September, our For The City monthly emphasis is Third Places. We are asking each of our members to consider their personal third places and think about how they can engage those places in order to further relationships with the ultimate goal of getting to the gospel.

Special Prayer Request

President Trump has declared today a National Day of Prayer for Houston. Please take some time this morning and pray for all those affected by Hurricane Harvey and pray for all of the volunteers and service providers.

Do Something

Mark your calendars: Go Night will be at 5pm on October 22. We will kick off Go Night in the Worship Center with a time of worship led by our very own Reach Band and a special message from Sean Cooper. Sean is a key speaker for the Traveling Team who goes all over the US to mobilize college students for missions. He is also one of our best speakers each year at the Perspectives Class. After the worship service, we will all head over to the gym to experience all of our different partnerships as they will have booths set up.
