ABCH Connected Foster Care

Please play the provided video on your Roku Player.

Please pass out the prayer guide and flyer located in your Sunday School Box.

As many of you know, our situation with foster care in this county, Sebastian County, is dire. We are literally having to send our children to Little Rock to find foster families. Because of this great need, the Arkansas Baptist State Convention along with our Arkansas Baptist Children's Home have now placed two social workers in Fort Smith to mobilize and support our Southern Baptist Churches to foster the many children in desperate need.

If you are interested in fostering, you can now receive all of your training, home studies, and ongoing support from a fellow Southern Baptist. Not only that, but they are mobilizing our local churches to provide support to our families that are fostering by providing meals, supplies, lawncare, prayer, etc. If you are interested in fostering or just helping, call Lynn or Ryan at 479-646-2100 for more information.

Upcoming

Coming up on October 22nd will be Go Night. Don't forget to mark your calendar for this incredible evening. Beginning at 5pm, we will meet in the Worship Center for a time of worship and hear from a dynamic speaker, Sean Cooper. Sean serves with the Traveling Team, a ministry that speaks to and mobilizes college students all over the nation for missions. Following the worship service, we will head over to the gym where our partnerships will have booths set up so you can learn more about the places we do missions and even try some exotic food. Childcare will be provided for children preschool and below. Older children are encouraged to attend and will even have a fun activity to do.
