

Mission Moment - October 8, 2017

Columbus Day Offering

Please play the provided video on your Roku Player.

Today is Columbus Day - not Christopher Columbus, but Columbus, Ohio! Three years ago our church embarked upon a journey to partner with the North American Mission Board to plant churches in Columbus, Ohio. We made a number of commitments, one of which was to plant our own church there. We now have Access Church! Mark and Christi Cox continue to plow hard ground to plant a church in the Dublin/Powell area of northwest Columbus. Another commitment that we made was to bring other churches on board to support planting efforts in the city. Just a few weeks ago Brad, Don, and Scott hosted a thrid vision tour in Columbus for pastors all over the US to come and check out Columbus and see how they can get involved.

Another big commitment that we made was to give \$50,000 over 5 years to church planting in Columbus. We are a little over halfway through our time commitment, and we are about halfway to our financial goal. We are asking every member today to prayerfully consider what you might give to make a difference in a city where lostness abounds. In the Worship Center this morning you will find a commitment card that you can fill out and turn in, or if you are ready to give this morning, you can do so. Know that 100% of the money received will go straight to the efforts of church planting in Columbus.

Please, take time this morning to pray for Columbus, Access Church, and Mark & Christi Cox.

Upcoming

Coming up on October 22nd will be Go Night. Don't forget to mark your calendar for this incredible evening. Beginning at 5pm, we will meet in the Worship Center for a time of worship and hear from a dynamic speaker, Sean Cooper. Following the worship service, we will head over to the gym where our partnerships will have booths set up so you can learn more about the places we do missions and even try some exotic food. Childcare will be provided for children preschool and below. Older children are encouraged to attend and will even have a fun activity to do.
