OFFERING

Mission Moment - November 5, 2017 For The City Offering

Please play the provided video on your Roku Player.

Throughout the month of November we will be taking up an offering called the "For The City Offering." The money raised will go towards helping us fund our annual Thanksgiving Blessing where we give a turkey to every Fort Smith city employee, as well as provide two of our partner churches with turkeys to help in their outreach. The funds raised will also go towards our other For The City projects throughout the year. In past years, we have used the funds to provide personalized Bibles for our Fort Smith firefighters, a lunch for our Fort Smith police officers, and a big cookout for the Fort Smith Sanitation Department. You can give in three ways:

1. With a check or cash in an offering envelope
2. On our website (www.grandfamily.net) - click the GIVE button
3. Text the dollar amount and "For The City" to 479-208-5520

We are also selling new mission t-shirts in Guest Services for \$10 each. The proceeds will go towards our For The City Offering.

Don't Forget

Don't forget that next Sunday, November 12, is Orphan Sunday. Come by Guest Services before or after the worship service to check out some of the different ministries that we partner with to show our support of orphan care, foster care, and adoption.
