

Mission Moment - January 21, 2018

Darby Junior High

Please play the provided video on your Roku Player.

Our church definitely loves ALL of our schools in Fort Smith equally, but God has provided a unique open door at Darby Junior High. God has been working in a powerful way there through a lunch-time Bible study led by our Student Pastor, Josh Hargett, and during the Christmas break, we were able to remodel the teacher's lounge. When the teachers came back from break, they were surprised with the new remodel!

Do Something

iReach, our ministry to international students at UAFS, will be hosting Conversation Club this upcoming Spring Semester. Would your Sunday School Department be willing to fix a meal for 50 people once during the semester on a Thursday evening? If your department is willing to do this, please, email our Mission Pastor, Scott Ward, at scott@grandfamily.net.

Training

Our first mission training is scheduled to be held TODAY. If you are even thinking about going on a mission trip this year, go ahead and attend these two classes since they are required. Child Protection Training will be held at 3pm in Room 120 and is required for all mission trips. Contingency Training will be held at 4pm in Room 118 and is required for all international mission trips. There is no need to sign up - just show up!

Marathon

Be sure and go by the Mission Area in Guest Services to sign up to volunteer at the Fort Smith Marathon on February 11th. You will get a FREE t-shirt for signing up! You can also sign up online at www.GABCMissions.com.
