

Mission Moment - April 29, 2018

Kansas City Report

Please play the provided video on your Roku Player.

This past Spring Break, our student ministry took a large group to Kansas City to work with a new church plant there. Ray Peoples, who used to be the Youth Pastor at Eastside Baptist Church, has now planted a new church in Kansas City.

On Easter Ray and his team launched The City Church KC (www.thecitychurchkc.com).

Pray

This morning take a few moments to pray for Ray, his family, and the new church plant. Pray that God would bring many new people into His Kingdom through this church. Pray that God would protect Ray and his family.

Reminder

Our Say Something Evangelism Training takes place today in Room 118 3pm-5pm. There is no need to sign up, and everyone is welcome. During this training, you will learn... the basics of the Gospel, how to start spiritual conversations, how and when to share your testimony, how to find people near to you but far from God, and the 7 steps to make a disciple.

Ray, Abbi, Graham, & Owen Peoples
