

## Mission Moment - May 6, 2018 Summer Camp/For The City:May

*Please play the provided video on your Roku Player.*

This morning we are featuring two items.

Our first mission moment to mention is our need to get some help to send some of our students to camp. We believe in camp ministry! Over the many years of doing camp, we have seen many young people give their lives to Christ, rededicate their lives to following Jesus, and decide to follow Jesus into full-time ministry. The problem is that many students that go to our church never get the opportunity to go because they don't have the support at home and cannot financially swing it. That is why we are asking you to consider giving a scholarship so that a kid can go to camp!

Our second mission moment is our For The City emphasis for May. It is "We Love Our Police Officers." This month we are encouraging everyone to do three things: bring snacks to your Sunday School Departments to take to a police station, attend the Fallen Officer Memorial Ceremony on May 16 at 10am at the Courthouse, and help provide a dish for a huge lunch that we will be hosting after the ceremony. For more info and to sign up to bring a dish, go to [www.GABCMissions.com](http://www.GABCMissions.com).
