For The City: July/Alaska Men's Mission Trip

Please play the provided video on your Roku Player.

Our For The City emphasis for July is "We Love Our Postal & Sanitation Workers." We would like for you to consider how you might be able to bless either of these two under-recognized and under-appreciated positions in our city. You might be able to give them a gift card or even make a plate of cookies for them. Remember, the point is not just to bless them with a gift, but to bless them with the gospel. When you give your gift, you might ask them how you can pray for them and that could lead to you getting to share the gospel with them.

Also, we are taking a Men's Mission Trip to Anchorage, Alaska, September 8-15. **TODAY**, immediately following the worship service in Room 114, we will be having an informational meeting concerning the trip where all of your questions will be answered. The team will work with our church plant there, True North Church, and will spend a day fishing.

Pray

Please take a few moments this morning and pray for our team that is currently in South Asia doing medical clinics and sharing the gospel with an unreached people group and pray for our Tanzania Team who is about to leave Tuesday to work with the Pare Tribe.
