Mission Moment - August 12, 2018

Say Something Evangelism Training

Please play the provided video on your Roku Player.

We believe that every disciple is a missionary and should be trained to share their faith effectively wherever they are. This training will be held **TODAY** at 3pm-5pm in Room 120. Everyone is welcome and there is no need to sign up – just show up! During this training, you will learn... the basics of the Gospel, how to start spiritual conversations, how and when to share your testimony, how to find people near to you but far from God, and the 7 steps to make a disciple.

There will be some snacks available, but we will not have childcare.

Pray

Please take a few moments this morning and ask everyone in your department to name people in their lives that are not believers. Take some time and pray for these folks - that they would accept Christ as their Savior. Pray for your department to have boldness in sharing their faith with others.
